

Motor Vehicle Maintenance & Repair

Jump start your career

Introduction

The Guernsey Apprenticeship offers you the opportunity to earn a salary and gain a nationally recognised technical, professional or vocational qualification in a job you love. You will need to have secured employment before applying or look at the 'Apprenticeship Vacancies' on our website.

This course is available to employees currently working as technicians in garages and dealerships within the Motor Industry. It allows you to learn, develop and practice the skills required for progression in the sector, with consolidation of the knowledge learned being underpinned in theory sessions.

The course is in line with industry standards and will enable you to work at the level required in both Guernsey and the UK.

Qualifications

- IMI Level 2 Diploma in Light Vehicle Maintenance and Repair
- IMI Level 3 Diploma in Light Vehicle Maintenance and Repair
- Certificate of Apprenticeship

Course duration/location

The recommended time for completion of this course is 4 years.

You will attend College at Coutanchez Campus one day a week for off-the-job training.

Course breakdown

You will complete the following units:

Year one

- Health, safety and good housekeeping in the automotive environment
- Materials, fabrication, tools and measuring devices used in the automotive environment
- Routine light vehicle maintenance
- Removing and replacing light vehicle chassis units and components

Year two

- Light vehicle fuel, ignition, air and exhaust system units and components
- Removing and replacing light vehicle:
 - Electrical units and components
 - Transmission and driveline units and components

Year three

- Support for job roles in the automotive environment
- Light vehicle engine mechanical, lubrication and cooling
- System units and components
- Removing and replacing light vehicle engine units and components
- Overhauling light vehicle engine mechanical units

Year four

- Diagnosis and rectification of:
 - Vehicle auxiliary electrical faults
 - Light vehicle chassis system faults
 - Light vehicle transmission and driveline faults

Who can apply

Apprenticeships are available to all.

You will be assessed for suitability using a range of online tests with support and guidance offered where necessary.

If you have not achieved maths or English at C/4/Level 2, you will study these subjects to support progression and achievement of your chosen apprenticeship. Failure to complete maths and English will prevent progression between apprenticeship levels or achieving your overall apprenticeship.

Entry to the Level 3 qualification will be dependent on successful completion of the Level 2 Diploma.

Assessment method

You will be assessed throughout the duration of the apprenticeship with online and practical assessments.

The onward journey

After successfully completing your Level 3 apprenticeship, you will be prepared for advancement within the Motor Industry.

Additional learning support

The College's Learner Support Services are available to provide support and help to make a success of your apprenticeship journey.

The College also works in partnership with Careers Guernsey whose advisors can support you in helping to choose the right next step for you and your future plans. They can support you in preparing for apprenticeship job interviews and any applications you may make.
